Management is of the opinion that the organization's financial statements have been prepared, in all material respects, in accordance with International Public Sector Accounting Standards (IPSAS). Management further accept responsibility for the maintenance of accounting records that may be relied upon in the preparation of financial statements, as well as designing, implementing and maintaining internal control relevant to the preparation and presentation of financial statements that are free from material misstatement whether due to fraud or error.

Signed on behalf of the Management by:

Executive Director: ....

Date: 17th April 2022

#### **DECLARATION OF THE FINANCE MANAGER**

The National Board of Accountants and Auditors (NBAA) is according to the power conferred under the Auditors and Accountants (Registration) Act. No. 33 of 1972, as amended by Act No. 2 of 1995, requires financial statements to be accompanied by a declaration issued by the Head of Finance/Accounting responsible for the preparation of financial statements of the entity concerned.

As stated above, it is the duty of the Finance Manager as the Professional Accountant to assist the Organization in discharging the responsibility of preparing financial statements of the company showing a true and fair view of the organization position and performance in accordance with applicable International Accounting Standards and statutory financial reporting requirements. Full legal responsibility for the preparation of financial statements rests with the Directors as under the Directors Responsibility statement on page 7.

| Emmanuela Kiluma              | being the Finance Manager of the MEDIA FOR DEVELOPMENT           |
|-------------------------------|--|
|                               | TANZANIA) hereby acknowledges my responsibility of ensuring that |
| financial statements for the  | year ended 31st December 2022 have been prepared in compliance   |
| withapplicable accounting sta | andards and statutory requirements.                              |

I thus confirm that the financial statements give a true and fair view position of the company as of that date and that they have been prepared based on properly maintained financial records.

### REPORT OF AN INDEPENDENT AUDITOR TO MEDIA FOR DEVELOPMENT AND TANZANIA

# **Unqualified Opinion**

We have audited the financial statements of **MEDIA FOR DEVELOPMENT AND TANZANIA**, which comprise the balance sheet as at 31<sup>st</sup> DECEMBER 2022, and the income statement and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

# Opinion

In our opinion, the Business's financial statements give a true and fair view of the state of the Business's financial affairs at 31<sup>st</sup> DECEMBER 2022 and of its profit and cash flows for the year then ended in accordance with International Financial Reporting Standards

# Basis of opinion

We conducted our audit in accordance with the International Standards on auditing (ISAs). Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the Business financial statements section of our report.

We believe that the audit evidence we obtained is sufficient and appropriate to provide the basis for our opinion.

#### Other information

The other information comprises the management report, statement of management responsibilities and declaration of the Head of Finance on the financial statements. Other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not and will not express an audit opinion or any form of assurance conclusion thereon.

# Responsibility for the financial statements

As described in the Statement of Owners' Responsibilities, the Business's Owners are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and with the requirements of the Tanzanian Organization Act 2002. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

# **Auditor's responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion.

# 1. Reporting entity

MEDEA TANZANIA is a non- governmental organization domiciled in Tanzania. The financial statements of the organization are for the period ended 31<sup>st</sup> December 2022.

# 2. Basis of preparation

## a. Statement of Compliance

The financial statements have been prepared in accordance with International Public Sector Accounting Standards.

# **b.** Functional and Presentation Currency

The financial statements are presented in Tanzanian Shilling (TZS), which is the functional and reporting currency of the Organization. The accounting policies have been consistently applied to all the years presented.

# 3. Significant Accounting Policies

The significant accounting policies of the ORGANISATION are:

## a. Revenue Recognition

Revenue arises from non-exchange transactions such as grants from various donors. Grants and donations are measured at fair value and recognized where there is reasonable assurance that they will be received, and all attaching conditions will be complied with. When the grant or donation relates to an expense item, it is recognized as income over the period necessary to match the grant on a systematic basis to the costs that it is intended to compensate for. Revenue is recognized when from contracts won and based on the percentage of completion of the said project.

## **b.** Foreign Currency Translation

Transactions in foreign currencies are translated to the functional currency Tzs at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in local currency at the reporting date are retranslated to the functional currency at the exchange rate at that date. Exchange gain or loss on monetary items is the difference between amortized cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortized cost in foreign currency translated at the exchange rate at the end of the period. Non-monetary assets and liabilities denominated in local currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Exchange differences arising on retranslation are recognized in profit or loss in the period in which they arise.

## c. Property and Equipment

#### i. Recognition, measurement and Subsequent cost

Items of property and equipment are stated at cost less accumulated and impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labor, and any other costs directly attributable to bringing the asset to working condition for its intended use. Borrowing costs related to the acquisition or constructions of qualifying assets are recognized in profit or loss as incurred.

When parts of an item of property, and equipment have different useful lives, they are accounted for as separate items (major components) of property and equipment.

Gains and losses on disposal of an item of property and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within "other income" in surplus or deficit.

The cost of replacing part of an item of property and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the organization and its costs can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of day-to-day servicing of property, plant and equipment are recognized in profit or loss as incurred.

## ii. Depreciation and amortization

Public assets are depreciated on straight line method as adopted by Tanzania government. Items of property, plant and equipment are depreciated from the date that they are installed and are ready for use, or in respect of internally constructed assets, from the date that the asset is completed and ready for use.

iii. Employee benefits including post-employment benefits

| Item              |     | Depreciation method | Rate  |
|-------------------|-----|---------------------|-------|
| IT equipment      |     | Straight line       | 37.5% |
| Furniture fitting | and | Straight line       | 12.5% |

Short-term employment benefits such as wages & salaries, are recognized in the statement of financial performance in which the employee renders the related service..

### iv. Deferred income

Deferred income represents an obligation to conduct donor funded activities per contractual commitments made between donors/development partners and the Organisation/the recipient, where funds have been transferred from both basket and non-basket funders for implementation of activities, but such activities have not yet occurred. When donor funds are utilized for purchase of assets, the value of these assets is transferred to capital grants and amortized in the statement of financial performance over the estimated useful lives of the assets concerned.

### 4. FINANCIALRISK MANAGEMENT

The Organisation seeks to minimize its exposure to financial risk. It uses only nonderivative financial instruments as part of its normal operations. These financial instruments include bank accounts, accounts receivable and accounts payable.

The management regularly reviews its risk management policies to reflect changes in the market conditions and the service offered.

The Organization aims to develop a disciplined and constructive control environment in which all employees and stakeholders understand their roles and obligations. The most important types of risks are:

- Credit risk
- Liquidity risk
- Market risk which is mainly due to foreign exchange risk.

A description of the significant risk factors is given below together with the risk management policies applicable.

The Board of Directors has overall responsibility for the establishment and oversight of the Organization's risk management framework. The Board of Directors is responsible for developing and monitoring the Organization's risk management policies in their specified areas.

### Market risk

**Market risk** is the risk that changes in market prices, such as foreign exchange rates and interest rates will affect the organization's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

### Credit risk

Credit risk is the risk of financial loss to the Organization if customers or counterparties to financial instruments fail to meet their contractual obligations, and it arises principally from the organizations' investments, receivables, and cash and cash equivalents.

# **Liquidity risk**

Liquidity risk is the risk that the organization will not be able to meet its financial obligations as they fall due. Prudent liquidity risk management includes maintaining sufficient cash balances. Management performs cash flow forecasting and monitors rolling forecasts of the organization's liquidity requirements to ensure it has sufficient cash to meet its operational needs.

# Foreign currency exchange risk

The organization's Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in the statement of financial performance in the period in which they arise.
